6:30-9:00 pm

A group of rich Italians head out on a yachting trip to a deserted volcanic island in the Mediterranean. The wealthy Anna is not sure about her feelings with her lover Sandro. When they are about to leave the island, they find Anna has vanished. Sandro, Anna's boyfriend, and Claudia,

Anna's friend, set out to find her...

Made in 1961, starring Monica Vitti, this classic Antonioni film is beautiful to watch, with complex characters, and striking landscapes.
