Cancellation and refund policy: Sentieri must receive notification of cancellation in writing. When your cancellation is received the following penalties on land costs will apply: the \$1,000 deposit is non-refundable. Of the remaining money, the following per person forfeiture rates apply: 50% if between 90 and 61 days and 100% if less than 60 days. Once the tour has departed, there will be no refund for any unused portion of the trip. Should a cancellation by a share person result in the necessity to accommodate a roommate in single accommodations, the cost of the single supplement will also be deducted from refunds due, if any, to the canceled person. Sentieri does not assume responsibility for cancellation fees imposed by air carriers due to itinerary or departure changes and cancellations after ticketing deadlines.

Unused services: Rates are based on a minimum number of 23 participants and there can be no refund for services or portions of the tour not taken. Refunds cannot be made to the tour participants who do not complete the tour for any reason.

Trip cancellation and interruption insurance: Sentieri cannot be responsible or liable for loss, damage or theft of personal baggage, nor can it be liable for personal injury, accident or illness. We strongly advise travelers to purchase trip cancellation or interruption insurance as protection against any emergency that may force cancellation before departure or separation from the tour while it is in progress.

Medical information: It is the responsibility of the traveler to advise us early of any medical problems or dietary restriction. There are no compulsory health precautions necessary for this tour; however, we suggest you check with your personal physician and your local health department for additional information and recommendations regarding your specific needs.

Currency fluctuations: The cost of the tour is based on conversion rates in effect at the time of the tour production. In order to keep rates as low as possible, no allowances are built in to cover increases in conversion rates. Since currencies fluctuate constantly around the world, it may be necessary before departure to adjust the cost of the tour if substantial increases occur.

Itinerary and schedule changes: The right is reserved to change the dates of operation, the itinerary or accommodations of any tour as conditions warrant. If a tour must be delayed or the itinerary changed due to bad weather, transportation delays, government decisions, or any other contingency beyond our control, the cost of delays or changes is not included.

Private functions: Private functions when planned are subject to the availability of the respective sponsors at the time of travel, and occasionally, similar activities may have to be substituted.

Itinerary/tour member cancellation: The right is reserved to cancel an itinerary before departure for any reason whatsoever, including too few participants, strikes, wars, acts of God or any other circumstance which may make operation of a tour inadvisable. All tour payments received from the participants will be promptly refunded and this refund will be the limit of our liability. We are not responsible for any expenses incurred by tour members in preparing for the tour including non-refundable or penalty-carrying airline tickets, special clothing, visa or passport fees or other tour-related expenses. The right is reserved to decline to accept any individual as a tour member for any reason whatsoever.

Limitation of responsibility: Sentieri and its affiliates, assignees and cooperative agents act only as agents for the passenger with respect to transportation, hotels and automobile contractors. They exercise every care possible but cannot be held responsible for personal injury in connection with the service of any airplane, train, automobile, carriage or other conveyance which is used in carrying out these tours nor are they responsible for delay, accident, sickness, loss of personal property, strikes, armed conflict, additional expenses due to weather, disruption of advertised schedules, refusal of visas or other causes beyond their control. Further, the operation of the vehicles used in their tours is the full responsibility of the companies and individuals engaged in the conveying of passengers; said companies or individuals are governed by laws of the country of operations and recourse for any mishap must be filed locally. All cooperating airlines are not to be held responsible for any act, omission or event during the time passengers are on board; the limit of the liability is that of common carriers and the passage contract in use by such carriers, when issued, shall constitute the sole contract between companies and the purchases of this tour and/or passenger. Upon payment of a deposit, the depositor acknowledges that he/she has read and understands the above terms and conditions, and agrees to abide by them.
